

PSYCHOEDUCATIONAL ASSESSMENTS FOR INTERNATIONAL STUDENTS ANYWHERE IN EUROPE

Discovering Strengths, Resources, & Needs

Using state of the art cognitive, achievement, visual motor, and language evaluation tools as well as in-depth behavioral surveys, we help you understand your students' unique learning profiles. After completion of the assessment, our school psychologists sit down for an extensive session to help teachers implement specially designed learning strategies.

We can come to your school or provide assessments at our learning center in Berlin.

WHAT WE OFFER:

- Full and brief cognitive and achievement batteries
- Neuropsychological, memory, executive functioning, language measures
- Exam board accommodations assessments
- Parent, teacher, student, questionnaires
- Class observations
- Collaboration with teachers, counselors, & therapists
- Teacher and parent consultations
- Extensive and easily applicable reporting
- Highly gifted assessments
- [Individual assessments or subscription packages for schools](#)
